All profits from this clinic will go toward the veterinarian expenses of caring for neglected, abused and abandoned Doberman Pinschers. D.A.R.&E. (Doberman Assistance, Rescue and Education) is a non-profit all-volunteer organization operating in Maryland, Virginia and D.C.

Many, many thanks to Dr. Steven L. Rosenthal, DVM and all the other cardiologists and associates of CVCA Cardiac Care for Pets for their time and effort on this and many other endeavors as well as for making affordable health care available to our animals in need. Thanks to their support and cooperation, we are able to offer this screening to you at a significant savings so please take advantage of this important service!

Confirmations will be sent to registrants approximately one week prior to the clinic; instructions will be included as well as general appointment scheduling and directions to the clinic. The clinic will be held at CVCA's **Hunt Valley**, Maryland, offices. All dogs must be leashed; owners/registrants are responsible for their pets at all times.

THIS IS A SCREENING CLINIC ONLY – DOGS WITH KNOWN PROBLEMS SHOULD BE SEEN BY APPOINTMENT BY THEIR REGULAR CARDIOLOGIST.

In order to offer this service at this low cost, we must have a MINIMUM OF 20 dogs or the clinic will be cancelled! Tell all your friends and fellow dog lovers about this event so that we can hold the clinic! Keep in mind, this service normally costs **\$600** – at this special clinic price, you can have **two** of your babies tested for less than the regular cost for just one! Please don't miss this wonderful opportunity! We're limited to 50 dogs total so don't miss out!
